## Quick Specifications

| Attribute               | Value                                               |
|-------------------------|-----------------------------------------------------|
| Brand                   | Cisco                                               |
| Model Number            | AIR-CAP3502E-TK910                                  |
| Wireless Standards      | 802.11a/g/n                                         |
| Controller-Based        | Yes, supports controller-based network architecture |
| Number of Access Points | 10 Access Points                                    |
| Technology              | CleanAir                                            |
| Antenna                 | External                                            |
| Regulatory Domain       | Regulatory Domain T                                 |
| Frequency Band          | 2.4 GHz and 5 GHz                                   |
| Data Transfer Rate      | Up to 300 Mbps                                      |
| Encryption Types        | WEP, WPA, WPA2                                      |
| Interface               | 10/100/1000 Base-T Ethernet                         |
| Power Supply            | Power over Ethernet (PoE) or external power adapter |
| LED Indicators          | Power, LAN, Wireless                                |
| Operating Temperature   | 0°C to 40°C (32°F to 104°F)                         |
| Storage Temperature     | -20°C to 70°C (-4°F to 158°F)                       |
| Humidity                | 10% to 90% (non-condensing)                         |
| Security Features       | 802.1X, RADIUS, TACACS+                             |
| Management Protocols    | SNMP, Telnet, HTTP, HTTPS                           |
| Dimensions              | 221 x 221 x 53 mm (8.7 x 8.7 x 2.1 in)              |
| Product Code            | AIR-CAP3502E-TK910                                  |
| Brand                   | CISCO                                               |

## Replacement / Alternative Options

If the AIR-CAP3502E-TK910 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
