## Quick Specifications

| Attribute                | Value                                                                               |
|--------------------------|-------------------------------------------------------------------------------------|
| Part Number              | AIR-LAP1131G-P-K9                                                                   |
| Product Description      | 802.11g Integrated Unified AP; Int Antennas; Japan2 Cnfg 1130G Series Access Points |
| Software                 | Cisco Unified Wireless Network Software                                             |
| Data Rates Supported     | 802.11g: 1, 2, 5.5, 6, 9, 11, 12, 18, 24, 36, 48, and 54 Mbps                       |
| Network Standard         | IEEE 802.11b and 802.11g                                                            |
| Uplink                   | Autosensing 802.3 10 and 100BASE-T Ethernet                                         |
| Nonoverlapping Channels  | 802.11b/g: 3                                                                        |
| Range                    | Indoor (Distance Across Open Office Environment): Outdoor:                          |
| Antennas                 | • 2.4 GHz • Gain: 3.0 dBi • Horizontal beam width: 360°                             |
| Dimensions (H x W x D)   | 7.5 x 7.5 x 1.3 in. (19.1 x 19.1 x 3.3 cm)                                          |
| Weight                   | 1.5 lb (0.67 kg)                                                                    |
| System Memory            | • 32 MB RAM • 16 MB flash memory                                                    |
| Input Power Requirements | • 100-240 VAC; 50-60 Hz (power supply) • 36-57 VDC (device)                         |
| Power Draw               | 9.91W maximum                                                                       |
| Product Code             | AIR-LAP1131G-P-K9                                                                   |
| Brand                    | CISCO                                                                               |

## Replacement / Alternative Options

If the AIR-LAP1131G-P-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
