## Quick Specifications

| Attribute             | Value                                                  |
|-----------------------|--------------------------------------------------------|
| Model                 | AIR-LAP1142-TK9-PR                                     |
| Device Type           | Wireless Access Point                                  |
| Form Factor           | External                                               |
| Ports                 | 1 x 10/100/1000BASE-T Ethernet                         |
| Wireless Standards    | IEEE 802.11a/b/g/n                                     |
| Maximum Data Rate     | 300 Mbps                                               |
| Operating Frequency   | 2.4 GHz / 5 GHz                                        |
| Security Monitoring   | 256-bit AES, TKIP, WPA2                                |
| MIMO                  | 2x2:2                                                  |
| Antenna               | Integrated Antenna                                     |
| Power Source          | PoE or External Power Supply                           |
| Power Consumption     | 12.95 W                                                |
| Mounting              | Ceiling-mountable, Wall-mountable                      |
| Management            | Controller-based                                       |
| Operating Temperature | 0 to 40 °C (32 to 104 °F)                              |
| Storage Temperature   | -20 to 70 °C (-4 to 158 °F)                            |
| Humidity              | 10% to 90% (non-condensing)                            |
| Dimensions            | 8.7 x 8.7 x 1.8 in (22 x 22 x 4.5 cm)                  |
| Compliance            | FCC, CE, UL, IEEE                                      |
| Interface             | 1 x Console Port, 2 x 10/100/1000BASE-T Ethernet Ports |
| Product Code          | AIR-LAP1142-TK9-PR                                     |
| Brand                 | CISCO                                                  |

## Replacement / Alternative Options

If the AIR-LAP1142-TK9-PR is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
