## Quick Specifications

| Attribute             | Value                                               |
|-----------------------|-----------------------------------------------------|
| Brand                 | Cisco                                               |
| Model                 | AIR-LAP1242AG-N-K9                                  |
| Condition             | Used                                                |
| Wireless Standard     | 802.11a/g                                           |
| Radio Frequency Band  | 2.4 GHz, 5 GHz                                      |
| Available Antennas    | Dual RP-TNC                                         |
| Configuration         | Non-FCC                                             |
| Series                | 1240AG                                              |
| Access Point Mode     | Lightweight Access Point Protocol (LWAPP)           |
| Max Data Rate         | 54 Mbps                                             |
| Interfaces            | 1x 10/100 Ethernet                                  |
| Security Protocols    | WPA, WPA2, 802.1X                                   |
| Power Source          | Power over Ethernet (PoE) or external power adapter |
| Input Voltage         | 48V                                                 |
| Operating Temperature | 0°C to 40°C                                         |
| Storage Temperature   | -20°C to 80°C                                       |
| Humidity Range        | 10% to 90% (non-condensing)                         |
| Dimensions            | 8.6 x 6.8 x 1.6 inches (21.84 x 17.27 x 4.06 cm)    |
| Mounting Options      | Ceiling-mount, Wall-mount                           |
| Management            | Managed via Wireless LAN Controller                 |
| Product Code          | AIR-LAP1242AG-N-K9                                  |
| Brand                 | CISCO                                               |

## Replacement / Alternative Options

If the AIR-LAP1242AG-N-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
