

# CISCO AIR-PWR-A= AIRONET POWER SUPPLY

Model: AIR-PWR-A | Brand: CISCO

## Product Overview

Power supply for the 1130AG, 1200, 1300 series Access Points

Product page: <https://www.linknewnet.com/products/air-pwr-a>

## Quick Specifications

| Attribute             | Value                                   |
|-----------------------|-----------------------------------------|
| Brand                 | Cisco                                   |
| Model                 | AIR-PWR-A (USED)                        |
| Compatibility         | 1130AG, 1200, 1300 series Access Points |
| Input Voltage         | 100-240V AC                             |
| Output Voltage        | 48V AC, 380mA                           |
| Frequency             | 50-60 Hz                                |
| Power Output          | 18W                                     |
| Cable Length          | 1.8 meters                              |
| Connector Type        | 2-Pin                                   |
| Safety Approvals      | UL, CE, FCC                             |
| Operating Temperature | 0??C to 50??C (32??F to 122??F)         |
| Storage Temperature   | -20??C to 70??C (-4??F to 158??F)       |
| Humidity              | 10% to 90%, non-condensing              |
| Color                 | Black                                   |
| Dimensions            | 120mm x 60mm x 40mm                     |
| Mounting              | Wall-mountable                          |
| Compliance            | RoHS                                    |
| Warranty              | 90 days from purchase                   |
| Condition             | Used                                    |
| Manufacturer          | Cisco Systems, Inc.                     |
| Product Code          | AIR-PWR-A                               |
| Brand                 | CISCO                                   |

## Replacement / Alternative Options

If the AIR-PWR-A is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
