## Quick Specifications

| Attribute                     | Value                       |
|-------------------------------|-----------------------------|
| Brand                         | Cisco                       |
| Model                         | ASA-SSP-40-INC1             |
| Product Type                  | Security Services Processor |
| Compatible Security Appliance | Cisco ASA 5585-X            |
| Port Type                     | 6GE, 4SFP+                  |
| Processor Series              | Cisco ASA 5500              |
| Performance Level             | Processor-40                |
| Used/New                      | Used                        |
| Networking Standard           | Gigabit Ethernet            |
| Port Speed                    | 10/100/1000 Mbps            |
| Number of Ports               | 10                          |
| Port Configuration            | 6 Gigabit Ethernet, 4 SFP+  |
| Security Features             | Firewall, VPN, IPS          |
| Hardware Acceleration         | Yes                         |
| Redundancy Support            | Yes                         |
| Management Interface          | Web UI, CLI                 |
| Power Supply                  | AC Input                    |
| Cooling                       | Fan cooling                 |
| Form Factor                   | Rack-mount                  |
| Dimensions (HxWxD)            | Chassis dependent           |
| Product Code                  | ASA-SSP-40-INC1             |
| Brand                         | CISCO                       |

## Replacement / Alternative Options

If the ASA-SSP-40-INC1 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
