## Quick Specifications

| Attribute               | Value                                                                                                                            |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Device Type             | Security appliance                                                                                                               |
| Height (Rack Units)     | 1U                                                                                                                               |
| Width                   | 16.9 in                                                                                                                          |
| Depth                   | 19.1 in                                                                                                                          |
| Height                  | 1.7 in                                                                                                                           |
| Weight                  | 16.75 lbs                                                                                                                        |
| RAM                     | 16 GB                                                                                                                            |
| Form Factor             | Rack-mountable                                                                                                                   |
| Ports Qty               | 8                                                                                                                                |
| Connectivity Technology | Wired                                                                                                                            |
| Data Link Protocol      | Gigabit Ethernet                                                                                                                 |
| Capacity                | IPSec VPN peers: 5000   SSL VPN peers: 2   Concurrent sessions: 1000000   Virtual interfaces (VLANs): 500   Security contexts: 2 |
| Status Indicators       | Power, HDD activity, active, alarm                                                                                               |
| Features                | Firewall protection, VPN support, VLAN support, High Availability                                                                |
| Expansion Slots         | 1 (total) / 1 (free) x expansion slot                                                                                            |
| Interfaces              | 8 x 1000Base-T - RJ-45   1 x 1000Base-T (management) - RJ-45   1 x management - RJ-45   2 x USB 2.0 - Type A                     |
| Rack Mounting Kit       | Included                                                                                                                         |
| Power Device            | Internal power supply                                                                                                            |
| Installed Qty           | 1                                                                                                                                |
| Max Supported Qty       | 2                                                                                                                                |
| Product Code            | ASA5555-K7                                                                                                                       |
| Brand                   | CISCO                                                                                                                            |

## Replacement / Alternative Options

If the ASA5555-K7 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
