

# Cisco ONE Catalyst 3650 Series Platform

## C1-WS3650-48UZ/K9

Model: C1-WS3650-48UZ/K9 | Brand: CISCO

### Product Overview

Cisco ONE Catalyst 3650 48 Port mGig, 2x40G Uplink■C1-WS3650-48UZ/K9 Cisco Catalyst 3650 Ethernet Switch - 48 Ports - Manageable - Gigabit Ethernet, 40 Gigabit Ethernet - 1000Base-T, 40GBase-X - 3 Layer Supported

### Quick Specifications

| Attribute                       | Value                                                        |
|---------------------------------|--------------------------------------------------------------|
| Part Number                     | C1-WS3650-48UZ/K9                                            |
| Product Type                    | Ethernet Switch                                              |
| Total Number of Network Ports   | 48                                                           |
| Uplink Port                     | Yes                                                          |
| Modular                         | No                                                           |
| Stack Port                      | No                                                           |
| Port/Expansion Slot Details     | 48 x Gigabit Ethernet Network 2 x 40 Gigabit Ethernet Uplink |
| Media Type Supported            | Twisted Pair Optical Fiber                                   |
| Ethernet Technology             | Gigabit Ethernet 40 Gigabit Ethernet                         |
| Network Technology              | 1000Base-T 40GBase-X                                         |
| Number of Total Expansion Slots | 2                                                            |
| Expansion Slot Type             | SFP+                                                         |
| Number of SFP+ Slots            | 2                                                            |
| Layer Supported                 | 3                                                            |
| Manageable                      | Yes                                                          |
| Power Source                    | Power Supply                                                 |
| Compatible Rack Unit            | 1U                                                           |
| Form Factor                     | Rack-mountable                                               |
| Environmentally Friendly        | Yes                                                          |
| Environmental Certification     | RoHS-5                                                       |
| Product Code                    | C1-WS3650-48UZ/K9                                            |
| Brand                           | CISCO                                                        |

### Replacement / Alternative Options

If the C1-WS3650-48UZ/K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
