

# C1113-8PMLTEEA - Cisco Router ISR 1100 Series

Model: C1113-8PMLTEEA | Brand: CISCO

## Product Overview

ISR 1100 G.FAST GE SFP Router w/ LTE Adv SMS/GPS EMEA & NA

Product page: <https://www.linknewnet.com/products/c1113-8pmlteea>

## Quick Specifications

| Attribute                      | Value                                                                                                                                          |
|--------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| GE                             | N/A                                                                                                                                            |
| GE/SFP combo                   | 1                                                                                                                                              |
| ADSL2/VDSL2+                   | 1 G.FAST (Annex M)                                                                                                                             |
| LTE Advanced (CAT6)            | 1 EMEAR & North America                                                                                                                        |
| 802.11ac                       | N/A                                                                                                                                            |
| PoE                            | 4                                                                                                                                              |
| PoE+                           | 2                                                                                                                                              |
| Integrated USB 3.0 AUX/console | Yes                                                                                                                                            |
| Pluggable                      | N/A                                                                                                                                            |
| Dimensions (H x W x D)         | 1.75 x 12.7 x 9.6 in. (44 x 323 x 244 mm) (includes rubber feet on LTE models)                                                                 |
| Memory (default and maximum)   | DRAM: 4 GB, Flash: 4 GB                                                                                                                        |
| Console                        | · Micro USB console (USB 3.0).                                                                                                                 |
| Mini-USB port (reserved)       | · Micro-USB port to support remote LTE diagnostics and monitoring tools (Qualcomm CAIT and Spirent UDM) (USB 3.0).                             |
| Standard safety certifications | · UL 60950-1 and EN 60950-1. · CAN/CSA C22.2 No. 60950-1. · CB to IEC 60950-1, 2nd edition with all group differences and national deviations. |
