

# C9115AXI-Q - Cisco Catalyst 9100 Series Wi-Fi 6 Access Points

Model: C9115AXI-Q | Brand: CISCO

## Product Overview

Cisco Catalyst 9115AX Series Access Point, Internal antenna; Wi-Fi 6; 4x4:4 MIMO, Q Domain

Product page: <https://www.linknewnet.com/products/c9115axi-q>

## Quick Specifications

| Attribute                          | Value                                                                                                                                              |
|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Description                        | Cisco Catalyst 9115AX Series Access Point, Internal antenna; Wi-Fi 6; 4x4:4 MIMO, Q Domain                                                         |
| Software                           | ● Cisco Unified Wireless Network Software Release 8.9 or later ● Cisco IOS ® XE Software Release 16.11 or later                                    |
| Supported wireless LAN controllers | ● Cisco Catalyst 9800 Series Wireless Controllers ● Cisco 3500, 5520, and 8540 Series Wireless Controllers and Cisco Virtual Wireless Controller   |
| Integrated antenna                 | ● 2.4 GHz, peak gain 3 dBi, internal antenna, omnidirectional in azimuth ● 5 GHz, peak gain 4 dBi, internal antenna, omnidirectional in azimuth    |
| Interfaces                         | ● 1x 100, 1000, 2500 Multigigabit Ethernet (RJ-45) – IEEE 802.3bz ● Management console port (RJ-45) ● USB 2.0 (enabled via future software)        |
| Indicators                         | ● Status LED indicates boot loader status, association status, operating status, boot loader warnings, and boot loader errors                      |
| Dimensions (W x L x H)             | ● Access point (without mounting brackets): C9115I: 8.0 x 8.0 x 1.5 in. (20.3 x 20.3 x 3.8 cm), C9115E: 8.0 x 8.0 x 1.7 in. (20.3 x 20.3 x 4.3 cm) |
| System memory                      | ● 2048 MB DRAM ● 1024 MB flash                                                                                                                     |
| Product Code                       | C9115AXI-Q                                                                                                                                         |
| Brand                              | CISCO                                                                                                                                              |

## Replacement / Alternative Options

If the C9115AXI-Q is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
