

# Huawei CloudEngine 12800 Series Switches

## CE12804D-B00

Model: CE12804D-B00 | Brand: HUAWEI

### Product Overview

CE12804 DC Bundle0 (DC Assembly Chassis,2\*MPUA,3\*SFU04A,3\*PDC-2200WA)

Product page: <https://www.linknewnet.com/products/ce12804d-b00>

### Quick Specifications

| Attribute                     | Value                                                                |
|-------------------------------|----------------------------------------------------------------------|
| Switching Capacity (Tbit/s)   | 45/ 2581                                                             |
| Forwarding Rate (Mpps)        | 17,280                                                               |
| Service Slots                 | 4                                                                    |
| Switching Fabric Module Slots | 6                                                                    |
| Max. Power Supply             | 6,000W                                                               |
| Airflow Design                | Strict front-to-back                                                 |
| VM Awareness                  | Agile Controller                                                     |
| Fabric Architecture           | Clos architecture, cell switching, VoQ, and distributed large buffer |
| Dimensions (W x D x H, mm)    | 442 x 813 x 486.15 (11 U)                                            |
| Chassis Weight (empty)        | &lt; 110 kg (242 lb)                                                 |
| Operating Voltage             | AC: 90V to 290V DC: -38.4V to -72V HVDC: 240V                        |
| Product Code                  | CE12804D-B00                                                         |
| Brand                         | HUAWEI                                                               |

### Replacement / Alternative Options

If the CE12804D-B00 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
