### Quick Specifications

| Attribute                       | Value                                   |
|---------------------------------|-----------------------------------------|
| Power cable                     | No                                      |
| Button                          | No                                      |
| Product Type                    | Wireless Access Point                   |
| Wireless LAN Standard           | IEEE 802.11ac                           |
| Frequency Band                  | 2.47 GH z 5.83 GHz                      |
| Wireless Transmission Speed     | 867 Mbit/s                              |
| MIMO Technology                 | Yes                                     |
| Beamforming Technology          | Yes                                     |
| Ethernet Technology             | Ethernet Fast Ethernet Gigabit Ethernet |
| Number of Network (RJ-45) Ports | 2                                       |
| PoE PD Port                     | Yes                                     |
| VGA                             | No                                      |
| HDMI                            | No                                      |
| Management Port                 | Yes                                     |
| Form Factor                     | Ceiling Mountable                       |
| Height                          | 2 in                                    |
| Width                           | 8.6 in                                  |
| Depth                           | 8.7 in                                  |
| Weight                          | 2.20 lbs                                |
| Product Code                    | AIR-CAP1702I-H-K9                       |
| Brand                           | CISCO                                   |

### Replacement / Alternative Options

If the AIR-CAP1702I-H-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model                            | Specification                                                                                |
