## Quick Specifications

| Attribute             | Value                                                                |
|-----------------------|----------------------------------------------------------------------|
| Power cable           | No                                                                   |
| Button                | No                                                                   |
| Network Ports         | 24                                                                   |
| Network (RJ-45) Ports | 24                                                                   |
| Port Detail           | 24 x Gigabit Ethernet Network 2 x 10 Gigabit Ethernet Expansion Slot |
| Ethernet Technology   | Gigabit Ethernet                                                     |
| Network Technology    | 10/100/1000Base-T                                                    |
| Layer Supported       | 2                                                                    |
| Expansion Slots       | 2                                                                    |
| Expansion Slot Type   | Stacking Module XFP                                                  |
| Management            | QoS SNMP v1, v2c, and v3 DHCP RMON HTTP Telnet CLI                   |
| Memory Technology     | DRAM                                                                 |
| Standard Memory       | 128 MB                                                               |
| Flash Memory          | 64 MB                                                                |
| Power Source          | Power Supply                                                         |
| Input Voltage         | 110 V AC 220 V AC                                                    |
| Width                 | 17.5 in                                                              |
| Height                | 1.8 in                                                               |
| Depth                 | 11.8 in                                                              |
| Weight                | 9.48 lbs                                                             |
| Product Code          | WS-C2960S-24TD-L                                                     |
| Brand                 | CISCO                                                                |

## Replacement / Alternative Options

If the WS-C2960S-24TD-L is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model                           | Specification                                                 |
