

# Cisco Catalyst 3850 Series Switch WS-C3850-48U-S

Model: WS-C3850-48U-S | Brand: CISCO

## Product Overview

Cisco Catalyst C3850-48U Switch Layer 2- Access Layer - 48 \* 10/100/1000 Ethernet UPOE ports - LAN Base - managed

## Quick Specifications

| Attribute             | Value                                                                                                                                   |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Power cable           | No                                                                                                                                      |
| Button                | No                                                                                                                                      |
| Network Ports         | 48                                                                                                                                      |
| Network (RJ-45) Ports | 48                                                                                                                                      |
| Port Detail           | ● Ethernet management port: RJ-45 connectors, 4-pair Cat-5 UTP cabling ● Management console port: RJ-45-to-DB9 cable for PC connections |
| Switching Capacity    | 176Gbps                                                                                                                                 |
| Stack Bandwidth       | 480Gbps                                                                                                                                 |
| Layer Supported       | 3                                                                                                                                       |
| Expansion Slots       | 4                                                                                                                                       |
| Expansion Slot Type   | SFP                                                                                                                                     |
| Memory Technology     | DRAM                                                                                                                                    |
| RAM                   | 4 G                                                                                                                                     |
| Flash Memory          | 2 G                                                                                                                                     |
| Power Source          | Power Supply                                                                                                                            |
| Input Voltage         | 110 V AC 220 V AC                                                                                                                       |
| Width                 | 44.5 cm                                                                                                                                 |
| Height                | 4.45 cm                                                                                                                                 |
| Depth                 | 44.5 cm                                                                                                                                 |
| Weight                | 12.80 lbs                                                                                                                               |
| Min Temperature       | 23 °F                                                                                                                                   |
| Product Code          | WS-C3850-48U-S                                                                                                                          |
| Brand                 | CISCO                                                                                                                                   |

## Replacement / Alternative Options

If the WS-C3850-48U-S is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
