

# Cisco Catalyst 4500 Series Switch WS-C4503

Model: WS-C4503 | Brand: CISCO

## Product Overview

Cisco Catalyst 4500 Series Switch WS-C4503

Product page: <https://www.linknewnet.com/products/cisco-catalyst-4500-series-switch-ws-c4503>

## Quick Specifications

| Attribute                      | Value                                      |
|--------------------------------|--------------------------------------------|
| Total number of slots          | 3                                          |
| Line-card slots                | 2                                          |
| Supervisor engine slots        | 1                                          |
| Supervisor engine redundancy   | No                                         |
| Supervisor engines supported   | Supervisor II Supervisor III Supervisor IV |
| Maximum PoE per slot           | 10/100/1000Base-T                          |
| Number of power supply bays    | Yes                                        |
| AC input power                 | Yes                                        |
| DC input power                 | Yes                                        |
| Integrated PoE                 | Yes                                        |
| Width                          | 17.3 in                                    |
| Height                         | 12.3 in                                    |
| Depth                          | 12.50 in                                   |
| Chassis weight (with fan tray) | 75.00 lb                                   |
| Min Operating Temperature      | 23 °F                                      |
| Max Operating Temperature      | 104 °F                                     |
| Humidity Range Operating       | 10 - 90%(non-condensing)                   |
| Product Code                   | WS-C4503                                   |
| Brand                          | CISCO                                      |

## Replacement / Alternative Options

If the WS-C4503 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
