### Quick Specifications

| Attribute               | Value                                 |
|-------------------------|---------------------------------------|
| Supported IOS           | Network Advantage, Network Essentials |
| Network modules options | Fixed Modules                         |
| Network Ports           | 24                                    |
| Uplink Configuration    | 24 x 10G SFP                          |
| Port Details            | 24 x 10 Gigabit Ethernet Network      |
| Ethernet Technology     | 10 Gigabit Ethernet                   |
| Network Technology      | 100/1000/10000 Base-T                 |
| Layer Supported         | 3                                     |
| DRAM                    | 8 GB                                  |
| Flash                   | 16 GB                                 |
| Stacking bandwidth      | 320 Gbps                              |
| Switching capacity      | 56 Gbps - 176Gbps                     |
| Width                   | 17.5 in                               |
| Height                  | 1.7 in                                |
| Depth                   | 17.5 in                               |
| Weight                  | 16 lb                                 |
| Product Code            | C9300LM-24U-4Y-E                      |
| Brand                   | CISCO                                 |

### Replacement / Alternative Options

If the C9300LM-24U-4Y-E is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model           | Specification                                                             |
|-----------------|---------------------------------------------------------------------------|
| C9300L-24P-4G-A | Catalyst 9300 24-port fixed uplinks PoE+, 4X1G uplinks, Network Advantage |
| C9300L-24P-4G-E | Catalyst 9300 24-port fixed uplinks PoE+, 4X1G uplinks, Network Advantage |
