

# DS-X9334-K9

Model: Cisco DS-X9334-K9 | Brand: CISCO

## Product Overview

Cisco MDS 9000 Family 24/10-Port SAN Extension Module

Product page: <https://www.linknewnet.com/products/ds-x9334-k9>

## Quick Specifications

| Attribute                         | Value                                           |
|-----------------------------------|-------------------------------------------------|
| Brand                             | Cisco                                           |
| Product Name                      | MDS 9000 Family 24/10-Port SAN Extension Module |
| Model Number                      | DS-X9334-K9                                     |
| Ports                             | 24 Fibre Channel and 10 Ethernet ports          |
| Interfaces                        | Fibre Channel and Ethernet                      |
| Form Factor                       | Plug-in module                                  |
| Data Transfer Rate                | Up to 10 Gbps                                   |
| Protocols                         | FCP, FCIP, iSCSI                                |
| Supported Standards               | IEEE 802.3, ANSI T11                            |
| Dimensions                        | 1.2 x 15.1 x 14.8 inches                        |
| Power Consumption                 | 150 Watts                                       |
| Operating Temperature             | 0 to 40??C                                      |
| Storage Temperature               | -25 to 70??C                                    |
| Humidity                          | 5% to 95% non-condensing                        |
| MTBF (Mean Time Between Failures) | 500,000 hours                                   |
| Compliance                        | RoHS, CE, FCC                                   |
| Security Features                 | IEEE 802.1x, SSH, SNMPv3                        |
| Management                        | Cisco DCNM                                      |
| Warranty                          | Limited lifetime                                |
| Environmental                     | Between -20??C to -60??C, dust protected        |
| Product Code                      | Cisco DS-X9334-K9                               |
| Brand                             | CISCO                                           |

## Replacement / Alternative Options

If the Cisco DS-X9334-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
