

# Huawei S5700 Series Switches S5720S-28P-PWR-LI-AC

Model: S5720S-28P-PWR-LI-AC | Brand: HUAWEI

## Product Overview

S5720S-28P-PWR-LI-AC(24 Ethernet 10/100/1000 ports,4 Gig SFP,PoE+,370W POE AC 110/220V)

## Quick Specifications

| Attribute                         | Value                                                              |
|-----------------------------------|--------------------------------------------------------------------|
| Stack ports                       | Twenty-four 10/100/1000BASE-T ports and four 1000BASE-X ports      |
| MAC address table                 | MAC address entries: S5700-SI series - 16K                         |
| Network Ports                     | 52                                                                 |
| Mean time between failures (MTBF) | 41 years                                                           |
| Mean time to repair (MTTR)        | 2 hours                                                            |
| Availability                      | > 0.99999                                                          |
| Service port surge protection     | Common mode: ±7 kV                                                 |
| Power supply surge protection     | ±6 kV in differential mode, ±6 kV in common mode                   |
| Expansion Slot Type               | SFP                                                                |
| Certification                     | EMC certification Safety certification Manufacturing certification |
| Memory Technology                 | DRAM                                                               |
| Standard Memory                   | 512 MB                                                             |
| Flash Memory                      | 240 MB                                                             |
| Rated voltage range               | 100 V AC to 240 V AC, 50/60 Hz                                     |
| Maximum voltage range             | 90 V AC to 264 V AC, 47 Hz to 63 Hz                                |
| Width                             | 44.2 cm                                                            |
| Height                            | 4.44 cm                                                            |
| Depth                             | 42 cm                                                              |
| Weight                            | 8 kg                                                               |
| Min Temperature                   | 23 °F                                                              |
| Product Code                      | S5720S-28P-PWR-LI-AC                                               |
| Brand                             | HUAWEI                                                             |

## Replacement / Alternative Options

If the S5720S-28P-PWR-LI-AC is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
