

# HWIC-3G-CDMA - Cisco High-Speed WAN Interface Cards

Model: HWIC-3G-CDMA | Brand: CISCO

## Product Overview

3G WWAN HWIC-EVDO Rev A/0/1xRTT-800/1900MHz (Generic CDMA),I Cisco Router High-Speed WAN Interface card

Product page: <https://www.linknewnet.com/products/hwic-3g-cdma>

## Quick Specifications

| Attribute            | Value                                              |
|----------------------|----------------------------------------------------|
| Product Type         | High-Speed WAN Interface Card (HWIC)               |
| Network Standard     | 3G WWAN                                            |
| Cellular Network     | EVDO Rev A/0, 1xRTT                                |
| Frequency Bands      | 800/1900 MHz                                       |
| Compatibility        | Cisco Routers                                      |
| Interface            | WAN                                                |
| Antenna Type         | External Antenna Support                           |
| Data Rate            | Up to 3.1 Mbps (Downlink), Up to 1.8 Mbps (Uplink) |
| Security             | VPN Pass-through, IPsec                            |
| Management           | SNMP, CLI                                          |
| Protocols            | PPP, NCP                                           |
| QoS                  | Supported                                          |
| Power Consumption    | 1.5W                                               |
| Temperature Range    | 0 to 40°C (Operating), -20 to 65°C (Storage)       |
| Humidity Range       | 5% to 95% (Non-condensing)                         |
| Dimensions (WxDxH)   | 20.32 x 17.78 x 3.81 cm                            |
| Warranty             | 1 Year                                             |
| Regulatory Approvals | CE, FCC                                            |
| RoHS Compliance      | Yes                                                |
| Manufacturer         | Cisco Systems, Inc.                                |
| Product Code         | HWIC-3G-CDMA                                       |
| Brand                | CISCO                                              |

## Replacement / Alternative Options

If the HWIC-3G-CDMA is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
