

# IR829GW-LTE-GA-SK9 - Cisco IR829 Industrial Integrated Services Routers

Model: IR829GW-LTE-GA-SK9 | Brand: CISCO

## Product Overview

829 Industrial ISR, 4G/LTE multimode Singapore, 802.11n ETSI

Product page: <https://www.linknewnet.com/products/ir829gw-lte-ga-sk9>

## Quick Specifications

| Attribute             | Value                                 |
|-----------------------|---------------------------------------|
| Brand                 | Cisco                                 |
| Model                 | IR829GW-LTE-GA-SK9                    |
| Product Type          | Industrial Integrated Services Router |
| 4G/LTE Support        | Multimode                             |
| LTE Frequency         | ETSI                                  |
| Wireless Standard     | 802.11n                               |
| Wireless Mode         | ETSI                                  |
| Operating Temperature | -40??C to +60??C                      |
| WAN Ports             | 2                                     |
| LAN Ports             | 4                                     |
| USB Ports             | 1                                     |
| Console Ports         | 1                                     |
| Flash Memory          | 8 GB                                  |
| DRAM                  | 2 GB                                  |
| Dimensions (HxWxD)    | 51 x 305 x 229 mm                     |
| Power Supply          | 18-32 VDC                             |
| Power Consumption     | 50W                                   |
| Mounting Option       | DIN Rail                              |
| Operating System      | Cisco IOS                             |
| Management            | Web-Based                             |
| Product Code          | IR829GW-LTE-GA-SK9                    |
| Brand                 | CISCO                                 |

## Replacement / Alternative Options

If the IR829GW-LTE-GA-SK9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
