

# IW-6300H-AC-S-K9 - Cisco Catalyst IW6300 Series Heavy Duty Access Points Series

Model: IW-6300H-AC-S-K9 | Brand: CISCO

## Product Overview

Industrial Wireless AP 6300, AC input, Hazloc, S Domain  
Product page: <https://www.linknewnet.com/products/iw-6300h-ac-s-k9>

## Quick Specifications

| Attribute                          | Value                                          |
|------------------------------------|------------------------------------------------|
| Brand                              | Cisco                                          |
| Product Name                       | Industrial Wireless AP 6300                    |
| Model                              | IW-6300H-AC-S-K9                               |
| Power Input                        | AC Input                                       |
| Hazardous Location Certification   | Hazloc Certified                               |
| Regulatory Domain                  | S Domain                                       |
| Networking Standard                | IEEE 802.11ac                                  |
| Frequency Band                     | 2.4 GHz and 5 GHz                              |
| MIMO Technology                    | Yes                                            |
| Maximum Data Rate                  | Up to 1.3 Gbps                                 |
| Antenna                            | Integrated Antenna                             |
| Wi-Fi Standards                    | 802.11a/b/g/n/ac                               |
| Encryption                         | WPA, WPA2, WPA3                                |
| Interfaces                         | Gigabit Ethernet Port                          |
| Environmental Operating Conditions | -40??C to 70??C, Hazardous Locations           |
| Mounting Options                   | Wall or Pole Mounted                           |
| IP Rating                          | IP67 for dust and water resistance             |
| Quality of Service (QoS)           | Advanced QoS Features                          |
| Management                         | Cloud-Based and On-Premises Management Options |
| Dimensions (H x W x D)             | Information Not Specified                      |
| Product Code                       | IW-6300H-AC-S-K9                               |
| Brand                              | CISCO                                          |

## Replacement / Alternative Options

If the IW-6300H-AC-S-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
