## Quick Specifications

| Attribute                         | Value                                 |
|-----------------------------------|---------------------------------------|
| Product Name                      | Industrial Wireless AP 6300           |
| Model Number                      | IW-6300H-DC-A-K9                      |
| Power Input                       | DC input                              |
| Operating Frequency               | A Domain                              |
| Regulatory Domain                 | A (FCC)                               |
| Hazardous Locations Certification | Yes (Hazloc certified)                |
| Environmental Sealing             | IP67                                  |
| Operating Temperature             | -40??C to 75??C                       |
| Storage Temperature               | -40??C to 85??C                       |
| Humidity Range                    | 5% to 95% Non-condensing              |
| Networking Interface              | 1 x 10/100/1000 Ethernet Port         |
| Wireless Technologies             | 802.11a/b/g/n/ac                      |
| Antenna Type                      | Integrated Antenna                    |
| Maximum Data Rate                 | Up to 867 Mbps                        |
| Encryption                        | WPA2, AES                             |
| Quality of Service (QoS)          | 802.11e/WMM                           |
| Mounting Options                  | Pole/Mast or Wall mountable           |
| Dimensions                        | Not specified                         |
| LED Indicators                    | Status LED showing operational status |
| Management Features               | SNMP, CLI, Web UI                     |
| Product Code                      | IW-6300H-DC-A-K9                      |
| Brand                             | CISCO                                 |

## Replacement / Alternative Options

If the IW-6300H-DC-A-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
