

# Juniper EX-SFP-10GE-DAC-7M Switches

Model: Juniper EX-SFP-10GE-DAC-7M | Brand: Juniper

## Product Overview

SFP+, 10GE Direct Attach Copper Cable, 7 meters, Standard Temperature (0 through 70 DEGREE C), 0.57W, 24 AWG

Product page: <https://www.linknewnet.com/products/juniper-ex-sfp-10ge-dac-7m>

## Quick Specifications

| Attribute                 | Value                                                     |
|---------------------------|-----------------------------------------------------------|
| Brand                     | Juniper                                                   |
| Product Name              | EX-SFP-10GE-DAC-7M                                        |
| Type                      | SFP+                                                      |
| Compatibility             | 10GE Networks                                             |
| Cable Type                | Direct Attach Copper (DAC)                                |
| Length                    | 7 meters                                                  |
| Temperature Range         | Standard Temperature (0 through 70 DEGREE C)              |
| Power Consumption         | 0.57W                                                     |
| Gauge                     | 24 AWG                                                    |
| Data Rate                 | 10 Gbps                                                   |
| Connector Type            | SFP+ to SFP+                                              |
| Hot Pluggable             | Yes                                                       |
| EMI Protection            | Yes                                                       |
| RoHS Compliant            | Yes                                                       |
| Warranty                  | Manufacturer's Warranty                                   |
| Cable Color               | Black                                                     |
| External Signal Shielding | Yes                                                       |
| Package Content           | 1 x SFP+ Cable                                            |
| Compliance                | IEC, CE, FCC, and more                                    |
| Use Case                  | Data Center Networks, High-Performance Computing Networks |
| Product Code              | Juniper EX-SFP-10GE-DAC-7M                                |
| Brand                     | Juniper                                                   |

## Replacement / Alternative Options

If the Juniper EX-SFP-10GE-DAC-7M is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
