## Quick Specifications

| Attribute                          | Value                                                                                                                        |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Weight                             | < 2.5 kg                                                                                                                     |
| Power consumption                  | < 20 W                                                                                                                       |
| Forwarding performance             | 9.6 Mpps                                                                                                                     |
| Port switching capacity            | 12.8 Gbit/s                                                                                                                  |
| Backplane switching capacity       | 64 Gbit/s                                                                                                                    |
| Dimensions: width x depth x height | 442 mm x 220 mm x 43.6 mm                                                                                                    |
| Port                               | twenty-four 10/100Base-TX ports, two 1000Base-X SFP ports, and two gigabit Combo ports (10/100/1000Base-T or 100/1000Base-X) |
| Operating environment              | Operating temperature: 0°C to 50°C (long term); -5°C to 55°C (short term); relative humidity: 10% to 90% (non-condensing)    |
| Product Code                       | LS-S3328TP-SI-AC                                                                                                             |
| Brand                              | HUAWEI                                                                                                                       |

## Replacement / Alternative Options

If the LS-S3328TP-SI-AC is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
