

# MX204-R - Juniper MX Series Base Product Bundles

Model: MX204-R | Brand: Juniper

## Product Overview

MX204 chassis with 3 fan trays and 2 power supplies, R mode. incl. Junos

Product page: <https://www.linknewnet.com/products/mx204-r>

## Quick Specifications

| Attribute                       | Value                                                       |
|---------------------------------|-------------------------------------------------------------|
| Description                     | MX204 chassis with 3 fan trays and 2 power supplies, R mode |
| Slots                           | 8 10GbE, 4 100GbE                                           |
| Maximum 1GbE                    | 24                                                          |
| Maximum 10GbE                   | 24                                                          |
| Maximum 40GbE                   | 4                                                           |
| Maximum 100GbE                  | 4                                                           |
| System Capacity                 | 400 Gbps                                                    |
| Switch Fabric Capacity per Slot | N/A                                                         |
| DPCs and/or MPCs per Chassis    | Built-in                                                    |
| Chassis per Rack                | 42                                                          |
| Dimensions (W x H x D)          | 17.6 x 1.75 x 18.7 in (44.7 x 4.45 x 47.5 cm)               |
| Maximum Weight                  | 23.15 lbs / 10.5 kg                                         |
| Mounting                        | Four-post rack                                              |
| Power Options                   | 100 V to 240 V AC -40 V to -72 V DC                         |
| Operating Temperature           | 32° to 131° F (0° to 55° C)                                 |
| Humidity                        | 5 % to 90% RH, operating, noncondensing                     |
| Altitude                        | 6000 ft                                                     |
| Product Code                    | MX204-R                                                     |
| Brand                           | Juniper                                                     |

## Replacement / Alternative Options

If the MX204-R is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model                              | Specification                                                                                                                          |
