## Quick Specifications

| Attribute              | Value                                                 |
|------------------------|-------------------------------------------------------|
| Model                  | NME-WAE-502-K9                                        |
| Type                   | Network Module                                        |
| Supported Routers      | 2800, 3800 ISR                                        |
| RAM                    | 1GB                                                   |
| Hard Disk Drive        | 120GB                                                 |
| Network Functionality  | WAAS (Wide Area Application Services)                 |
| Hardware Compatibility | Compatible with specified Cisco routers               |
| Integrated Services    | Increases application performance                     |
| Cooling Requirements   | Standard cooling as per router specifications         |
| Form Factor            | Internal Network Module                               |
| Dimensions             | Standard network module size fitting 2800/3800 series |
| Power Consumption      | Dependent on router power supply                      |
| Operating Temperature  | 0°C to 40°C (32°F to 104°F)                           |
| Storage Temperature    | -20°C to 70°C (-4°F to 158°F)                         |
| Relative Humidity      | 5% to 95% non-condensing                              |
| MTBF                   | 1,200,000 hours                                       |
| Compliance             | RoHS, WEEE                                            |
| Product Code           | NME-WAE-502-K9                                        |
| Brand                  | Cisco                                                 |
| Manufacturer           | Cisco Systems Inc.                                    |
| Product Code           | NME-WAE-502-K9                                        |
| Brand                  | CISCO                                                 |

## Replacement / Alternative Options

If the NME-WAE-502-K9 is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
