## Quick Specifications

| Attribute             | Value                                              |
|-----------------------|----------------------------------------------------|
| Brand                 | H3C                                                |
| Model                 | S1348G                                             |
| Port Count            | 48                                                 |
| Port Type             | Full Gigabit Ethernet                              |
| Layer                 | Layer 2                                            |
| Switch Type           | Unmanaged                                          |
| Rack Mountable        | Yes                                                |
| Use Case              | Enterprise Network                                 |
| Network Standards     | IEEE 802.3, IEEE 802.3u, IEEE 802.3ab, IEEE 802.3x |
| Forwarding Rate       | 95.2 Mpps                                          |
| Switching Capacity    | 104 Gbps                                           |
| MAC Address Table     | 8K entries                                         |
| VLAN Support          | No                                                 |
| QoS                   | No                                                 |
| Power Supply          | 100-240V AC, 50/60Hz                               |
| Power Consumption     | Max 24W                                            |
| Dimensions            | 440 x 160 x 44 mm                                  |
| Operating Temperature | 0■■■C to 40■■■C                                    |
| Storage Temperature   | -40■■■C to 70■■■C                                  |
| Operating Humidity    | 10% to 90% RH                                      |
| Product Code          | S1348G                                             |
| Brand                 | H3C                                                |

## Replacement / Alternative Options

If the S1348G is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model                          | Specification                          |
|--------------------------------|----------------------------------------|
