

# Huawei S1700 Series Switches S1730S-S24T4S-MA

Model: S1730S-S24T4S-MA | Brand: HUAWEI

## Product Overview

S1730S-S24T4S-MA, Huawei S1700 Series Switches

Product page: <https://www.linknewnet.com/products/s1730s-s24t4s-ma>

## Quick Specifications

| Attribute                         | Value                                                                                      |
|-----------------------------------|--------------------------------------------------------------------------------------------|
| Item                              | Description                                                                                |
| Memory (RAM)                      | 1 GB                                                                                       |
| Flash                             | 512 MB in total. To view the available flash memory size, run the display version command. |
| Mean time between failures (MTBF) | 92.82 years                                                                                |
| Mean time to repair (MTTR)        | 2 hours                                                                                    |
| Availability                      | > 0.99999                                                                                  |
| Service port surge protection     | Common mode: ±7 kV                                                                         |
| Power supply surge protection     | ±6 kV in differential mode, ±6 kV in common mode                                           |
| Stack ports                       | Not supported                                                                              |
| RTC                               | Not supported                                                                              |
| RPS                               | Not supported                                                                              |
| PoE                               | Not supported                                                                              |
| Rated voltage range               | 100 V AC to 240 V AC, 50/60 Hz High-voltage DC input: 240 V DC                             |
| Maximum voltage range             | 90 V AC to 264 V AC, 47 Hz to 63 Hz High-voltage DC input: 190 V DC to 290 V DC            |
| Relative humidity                 | 5% to 95%, noncondensing                                                                   |
| Operating altitude                | 0-5000 m (0-16404 ft.)                                                                     |
| Product Code                      | S1730S-S24T4S-MA                                                                           |
| Brand                             | HUAWEI                                                                                     |

## Replacement / Alternative Options

If the S1730S-S24T4S-MA is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
