

# H3C S5008PV5-EI-HPWR H3C 8-port Gigabit Layer 2 network management POE power supply switch

Model: S5008PV5-EI-HPWR | Brand: H3C

## Product Overview

H3C S5008PV5-EI-HPWR H3C 8-port Gigabit Layer 2 network management POE power supply switch

Product page: <https://www.linknewnet.com/products/s5008pv5-ei-hpwr>

## Quick Specifications

| Attribute                 | Value                                                             |
|---------------------------|-------------------------------------------------------------------|
| Brand                     | H3C                                                               |
| Product Name              | H3C S5008PV5-EI-HPWR                                              |
| Type                      | 8-port Gigabit Layer 2 Network Management POE Power Supply Switch |
| Port Count                | 8                                                                 |
| Port Type                 | Gigabit Ethernet                                                  |
| Power Over Ethernet (POE) | Supported                                                         |
| POE Power Budget          | Sufficient for all ports under full load                          |
| Network Layer             | Layer 2                                                           |
| Management Type           | Network Management                                                |
| Performance               | High Performance, Low Latency                                     |
| Switching Capacity        | Optimized for maximum throughput                                  |
| Energy Efficient          | Energy Efficient Ethernet (EEE) Support                           |
| Mounting Options          | Rack Mountable                                                    |
| Dimensions                | Standard 1U Rack Size                                             |
| Security Features         | Advanced Security Protocols Supported                             |
| QoS Support               | Quality of Service (QoS) for Traffic Prioritization               |
| VLAN Support              | Extensive VLAN Configuration Options                              |
| Firmware                  | Updatable                                                         |
| Warranty                  | Manufacturer Warranty Included                                    |
| Product Code              | S5008PV5-EI-HPWR                                                  |
| Brand                     | H3C                                                               |

## Replacement / Alternative Options

If the S5008PV5-EI-HPWR is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
