## Quick Specifications

| Attribute                            | Value                                                                 |
|--------------------------------------|-----------------------------------------------------------------------|
| Brand                                | H3C                                                                   |
| Product Name                         | H3C S5024PV5-EI-PWR                                                   |
| Type                                 | 24-port Gigabit PoE Switch                                            |
| Port Count                           | 24 Gigabit Ethernet Ports and 4 Optical Ports                         |
| PoE Support                          | Yes                                                                   |
| VLAN                                 | Supported with Web Page Management                                    |
| Management                           | Web-based GUI                                                         |
| Switching Capacity                   | To be determined                                                      |
| Power Over Ethernet (PoE) Capability | Power over Ethernet (PoE) Supported                                   |
| Optical Port Type                    | SFP                                                                   |
| Network Protocol Support             | IPv4, IPv6, SNMP, TCP/IP                                              |
| Layer                                | Layer 2                                                               |
| QoS                                  | Quality of Service features included                                  |
| Security Features                    | Access control lists (ACL), Port Security, RADIUS, Secure Shell (SSH) |
| Power Supply                         | Integrated Power Supply with PoE                                      |
| Mounting Options                     | Rack-mountable                                                        |
| Energy Efficiency                    | Energy Efficient Ethernet (EEE) compliance                            |
| Warranty                             | Limited Lifetime Warranty                                             |
| Dimensions                           | To be determined                                                      |
| Certifications                       | CE, FCC, RoHS, etc.                                                   |
| Product Code                         | S5024PV5-EI-PWR                                                       |
| Brand                                | H3C                                                                   |

## Replacement / Alternative Options

If the S5024PV5-EI-PWR is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
