

# H3C S5130S-52S-SI L2 Ethernet switch host 48 10/100/1000BASE-T electrical ports 4 1G/10G BASE-X SFP+ ports

Model: S5130S-52S-SI | Brand: H3C

## Product Overview

H3C S5130S-52S-SI L2 Ethernet switch host 48 10/100/1000BASE-T electrical ports 4 1G/10G BASE-X SFP+ ports

## Quick Specifications

| Attribute                | Value                                              |
|--------------------------|----------------------------------------------------|
| Brand                    | H3C                                                |
| Product Name             | H3C S5130S-52S-SI                                  |
| Type                     | L2 Ethernet Switch                                 |
| Base Interface           | 48 x 10/100/1000BASE-T electrical ports            |
| Uplink Interface         | 4 x 1G/10G BASE-X SFP+ ports                       |
| Layer Supported          | Layer 2                                            |
| Port Density             | 52 Ports Total                                     |
| Throughput               | Information Not Available                          |
| Backplane Bandwidth      | Information Not Available                          |
| Port Buffer Memory       | Information Not Available                          |
| MAC Address Table Size   | Information Not Available                          |
| Packet Forwarding Rate   | Information Not Available                          |
| Management Features      | Web-based management, SNMP, RMON                   |
| Networking Standards     | IEEE 802.3, IEEE 802.3u, IEEE 802.3ab, IEEE 802.3z |
| Energy Efficiency        | Energy Efficient Ethernet (IEEE802.3az)            |
| Quality of Service (QoS) | Advanced QoS features                              |
| Security Features        | ACLs, RADIUS, Port Security, IEEE 802.1X           |
| Dimensions               | Information Not Available                          |
| Operating Temperature    | Information Not Available                          |
| Power Supply             | Information Not Available                          |
| Product Code             | S5130S-52S-SI                                      |
| Brand                    | H3C                                                |

## Replacement / Alternative Options

If the S5130S-52S-SI is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model                          | Specification                                                                    |
|--------------------------------|----------------------------------------------------------------------------------|
| <a href="#">S5130S-12TP-EI</a> | H3C 8 Gigabit electrical ports 4 Gigabit optical ports Network management switch |

|                  |                                                        |
|------------------|--------------------------------------------------------|
| S5130S-10P-EI-H1 | H3C 8x10/100/1000BASE-T Ethernet ports, 2x1G SFP ports |
|------------------|--------------------------------------------------------|
