

# H3C S5560S-28P-SI, 24 10/100/1000Base-T autosensing Ethernet ports, 4 SFP ports

Model: S5560S-28P-SI | Brand: H3C

## Product Overview

H3C S5560S-28P-SI, 24 10/100/1000Base-T autosensing Ethernet ports, 4 SFP ports

## Quick Specifications

| Attribute                 | Value                                                         |
|---------------------------|---------------------------------------------------------------|
| Brand                     | H3C                                                           |
| Product Name              | H3C S5560S-28P-SI                                             |
| Ethernet Ports            | 24 10/100/1000Base-T autosensing Ethernet ports               |
| SFP Ports                 | 4 SFP ports                                                   |
| Switching Capacity        | Information not available                                     |
| Forwarding Rate           | Information not available                                     |
| Form Factor               | Rack-mountable                                                |
| Layer Supported           | Layer 2 switching, with Layer 3 features                      |
| MAC Address Table Size    | Information not available                                     |
| Memory                    | Information not available                                     |
| Power Over Ethernet (PoE) | No                                                            |
| Quality of Service (QoS)  | Advanced QoS features                                         |
| VLAN Support              | Extensive VLAN support including tagging and port-based VLANs |
| Management Features       | SNMP, RMON, Web Interface, CLI                                |
| Security Features         | ACLs, Port Security, IP Source Guard                          |
| Stackable                 | No                                                            |
| Warranty                  | Limited lifetime warranty                                     |
| Energy Efficient          | Energy Efficient Ethernet (EEE)                               |
| Fan                       | Fanless design                                                |
| Operating Temperature     | 0■■■C to 50■■■C                                               |
| Product Code              | S5560S-28P-SI                                                 |
| Brand                     | H3C                                                           |

## Replacement / Alternative Options

If the S5560S-28P-SI is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
