

# H3C S5560S-52S-EI Ethernet Switch with 48\*10/100/1000BASE-T Ports and 4\*1G/10G BASE-X SFP Plus Ports

Model: S5560S-52S-EI | Brand: H3C

## Product Overview

H3C S5560S-52S-EI Ethernet Switch with 48\*10/100/1000BASE-T Ports and 4\*1G/10G BASE-X SFP Plus Ports

## Quick Specifications

| Attribute              | Value                                                      |
|------------------------|------------------------------------------------------------|
| Manufacturer           | H3C                                                        |
| Model                  | S5560S-52S-EI                                              |
| Ports                  | 48*10/100/1000BASE-T Ports, 4*1G/10G BASE-X SFP Plus Ports |
| Performance            | High performance switching capacity                        |
| Switching Capacity     | 336 Gbps                                                   |
| Forwarding Rate        | 252 Mpps                                                   |
| MAC Address Table Size | 32K                                                        |
| VLANs Supported        | 4K VLANs                                                   |
| Management             | Web, CLI, SNMP                                             |
| QoS                    | Advanced QoS features                                      |
| Stacking               | Supports stackable technology                              |
| Security Features      | Access Control Lists (ACLs), 802.1X Authentication         |
| Jumbo Frame Support    | Up to 9K packet size                                       |
| Power Supply           | Redundant Power Supply (RPS)                               |
| Operating Temperature  | 0°C to 45°C (32°F to 113°F)                                |
| Storage Temperature    | -40°C to 70°C (-40°F to 158°F)                             |
| Operating Humidity     | 10% to 90% (non-condensing)                                |
| Dimensions             | 440 mm x 360 mm x 43.6 mm                                  |
| Compliance             | CE, RoHS                                                   |
| Warranty               | Limited Lifetime Warranty                                  |
| Product Code           | S5560S-52S-EI                                              |
| Brand                  | H3C                                                        |

## Replacement / Alternative Options

If the S5560S-52S-EI is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.

| Model                          | Specification                                                                   |
|--------------------------------|---------------------------------------------------------------------------------|
| <a href="#">S5560S-28DP-SI</a> | H3C S5560S-28DP-SI, 24 10/100/1000BASE-T autosensing Ethernet ports,4 SFP Ports |

|               |                                                                                  |
|---------------|----------------------------------------------------------------------------------|
| S5560S-28F-EI | H3C S5560S-28F-EI, 24 SFP ports (including 8 combo interfaces) and 4 SFP+ ports. |
