## Quick Specifications

| Attribute                | Value                                                                   |
|--------------------------|-------------------------------------------------------------------------|
| Product Model            | H3C S5560X-30F-EI                                                       |
| Port Configuration       | 24 SFP ports (including 8 combo interfaces), 4 10G/1G BASE-X SFP+ ports |
| Expansion Slot           | 1 slot                                                                  |
| Fan Tray Slots           | 2 slots                                                                 |
| Power Module Slots       | 2 slots                                                                 |
| Combo Interfaces         | 8                                                                       |
| 10G/1G BASE-X SFP+ Ports | 4 ports                                                                 |
| SFP Port Count           | 24 ports                                                                |
| Port Speeds              | 1G/10G                                                                  |
| Switching Capacity       | Not Specified                                                           |
| Throughput               | Not Specified                                                           |
| Power Consumption        | Not Specified                                                           |
| Power Supply             | Not Specified                                                           |
| MAC Address Table        | Not Specified                                                           |
| Packet Buffer Memory     | Not Specified                                                           |
| Jumbo Frame Support      | Not Specified                                                           |
| Management Features      | Not Specified                                                           |
| Layer Support            | Not Specified                                                           |
| Dimension (H x W x D)    | Not Specified                                                           |
| Product Code             | S5560X-30F-EI                                                           |
| Brand                    | H3C                                                                     |

## Replacement / Alternative Options

If the S5560X-30F-EI is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
