## Quick Specifications

| Attribute                 | Value                          |
|---------------------------|--------------------------------|
| Manufacturer              | Huawei                         |
| Manufacturer Part Number  | S5700S-28X-LI-AC               |
| Form Factor               | Fixed, Stackable               |
| Power Over Ethernet (PoE) | Non-POE                        |
| Max Number of Stacks      | 48Gbps                         |
| Flash Memory              | 32 MB                          |
| DRAM Memory               | 256 MB                         |
| Switch Port               | 24 GE ports, 4 10GE SFP+ ports |
| Forwarding performance    | 96 Mpps                        |
| VLAN                      | 4 K VLANs                      |
| IP routing                | Static routing, ECMP           |
| Power Device              | Power supply - Non-PoE         |
| Power Redundancy          | No                             |
| Voltage Required          | AC 120/230 V ( 50/60 Hz )      |
| Width                     | 44.2cm                         |
| Height                    | 4.36cm                         |
| Depth                     | 22cm                           |
| Weight                    | 5.0kg                          |
| Software Version          | Standard Version               |
| Product Code              | S5700S-28X-LI-AC               |
| Brand                     | HUAWEI                         |

## Replacement / Alternative Options

If the S5700S-28X-LI-AC is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
