## Quick Specifications

| Attribute              | Value                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Fixed Port             | 24 × Ethernet 10/100/1000 ports 4 × 10GE SFP+ ports                                                    |
| Dimensions (W x D x H) | 44.2 cm x 22 cm x 4.36 cm                                                                              |
| IP routing             | Static routing                                                                                         |
| Access Security        | DHCP Relay, DHCP Server, DHCP Snooping, DHCP Security                                                  |
| Interoperability       | Supports VBST (Compatible with PVST/PVST+/RPVST)                                                       |
| Operating environment  | Operating temperature: 0■–50■                                                                          |
| Input voltage          | AC: Rated voltage range: 100 V to 240 V AC, 50/60 Hz Maximum voltage range: 90 V to 264 V AC, 47/63 Hz |
| Product Code           | S5720S-28X-SI-AC                                                                                       |
| Brand                  | HUAWEI                                                                                                 |

## Replacement / Alternative Options

If the S5720S-28X-SI-AC is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
