

# Huawei S5700 Series Switches S5730-44C-HI

Model: S5730-44C-HI | Brand: HUAWEI

## Product Overview

S5730-44C-HI (24 x 10/100/1,000 BASE-T ports, 4 x 10 GE SFP+ ports, 2 expansion slots, without power module)

## Quick Specifications

| Attribute              | Value                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Fixed Ports            | 24 x 10/100/1,000 Base-T ports, 4 x 10 GE SFP+ ports                                                                                       |
| Dimensions (W x D x H) | 442 mm x 420 mm x 44.4 mm                                                                                                                  |
| Relative Humidity      | 5% to 95% (non-condensing)                                                                                                                 |
| Input Voltage          | AC: Rated AC voltage: 100V to 240V; 50/60 Hz Max. AC voltage: 90V to 264V; 47 Hz to 63 Hz                                                  |
| Operating Temperature  | 0m to 1,800m altitude: 0°C to 45°C 1,800m to 5,000m altitude: The operating temperature reduces by 1°C for each 220m increase in altitude. |
| Heat Dissipation       | Air cooling heat dissipation, intelligent speed adjustment, and built-in fans                                                              |
| Extended Slots         | Two extended slots, supporting 8-port 10 GE electrical, 8-port 10 GE optical, or 2-port 40 GE optical interface card                       |
| IP Routing             | Static routes, RIP v1/2, RIPng, OSPF, OSPFv3, IS-IS, IS-ISv6, BGP, BGP4+, ECMP, and routing policy                                         |
| Product Code           | S5730-44C-HI                                                                                                                               |
| Brand                  | HUAWEI                                                                                                                                     |

## Replacement / Alternative Options

If the S5730-44C-HI is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
