

# Huawei S6700 Series Switches S6720-32C-SI-AC

Model: S6720-32C-SI-AC | Brand: HUAWEI

## Product Overview

S6720-32C-SI Bundle, 24 Ethernet 100M/1/2.5/5/10G ports, 4 10 Gig SFP+ with 1 interface slot with 150W AC power supply

## Quick Specifications

| Attribute                     | Value                                                                                                                                |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Ports                         | 24 x 100M/1G/2.5G/5G/10G Base-T Ethernet ports, 4 x 10 GE SFP+                                                                       |
| Extended Slot                 | One extended slot                                                                                                                    |
| Power                         | Double pluggable power supplies, AC power supply                                                                                     |
| Forwarding performance        | 240 Mpps                                                                                                                             |
| Switching capacity            | 2.56 Tbit/s                                                                                                                          |
| Dimensions (W x D x H)        | 442 × 420 × 44.4 mm                                                                                                                  |
| MAC address table             | 32K MAC address learning and aging Static, dynamic, and blackhole MAC address entries Packet filtering based on source MAC addresses |
| IPv4 routing                  | Static routing, RIPv1, RIPv2, ECMP, URPF, OSPF, IS-IS, and BGP VRRP Policy-based routing Routing policies                            |
| IPv6 routing                  | Static routing RIPng OSPFv3 BGP4+ ISISv6                                                                                             |
| Typical power consumption     | 93W (without card)                                                                                                                   |
| Maximum power consumption (W) | 117.62W (without card)                                                                                                               |
| Product Code                  | S6720-32C-SI-AC                                                                                                                      |
| Brand                         | HUAWEI                                                                                                                               |

## Replacement / Alternative Options

If the S6720-32C-SI-AC is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
