

# SRX320-SYS-JE-P - Juniper SRX Series Service Gateways

Model: SRX320-SYS-JE-P | Brand: Juniper

## Product Overview

SRX320-POE HW & JUNOS ENHANCED(JSE)

Product page: <https://www.linknewnet.com/products/srx320-sys-je-p>

## Quick Specifications

| Attribute                   | Value                                           |
|-----------------------------|-------------------------------------------------|
| Brand                       | Juniper                                         |
| Product Model               | SRX320-SYS-JE-P                                 |
| Type                        | Firewall/Security Appliance                     |
| Power Over Ethernet         | Supported (POE)                                 |
| Operating System            | JUNOS Enhanced (JSE)                            |
| Interface Slots             | 6 GbE, including 2 PoE+ ports                   |
| USB Ports                   | 1x USB 3.0                                      |
| Console Port                | 1 mini-USB and 1 RJ-45                          |
| Throughput                  | Up to 1 Gbps firewall and 300 Mbps IPSec VPN    |
| IPSec VPN Tunnels           | 256                                             |
| SSL VPN Users               | Up to 50                                        |
| Routing Protocols Supported | BGP, OSPF, RIP, IPv4, IPv6                      |
| Security Services           | Firewall, VPN, NAT, DoS, IDP, AV, Web Filtering |
| Management                  | Junos Space, J-Web, CLI                         |
| Dimensions (HxWxD)          | 1.75 x 11.8 x 10.4 inches                       |
| Mounting Options            | Desktop, Wall, and Rack mountable               |
| High Availability           | Yes                                             |
| Encryption Standards        | AES (128-bit, 192-bit, 256-bit), 3DES, DES      |
| Memory                      | 4 GB RAM, 8 GB Flash                            |
| Storage Expansion           | MicroSD slot (up to 32 GB)                      |
| Product Code                | SRX320-SYS-JE-P                                 |
| Brand                       | Juniper                                         |

## Replacement / Alternative Options

If the SRX320-SYS-JE-P is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
