## Quick Specifications

| Attribute                     | Value                                                                           |
|-------------------------------|---------------------------------------------------------------------------------|
| Product Name                  | SRX5600X-CHAS                                                                   |
| Brand                         | Juniper                                                                         |
| Type                          | Chassis Spare                                                                   |
| Compatibility                 | Specific to Juniper SRX5600 Series                                              |
| Midplane                      | Enhanced                                                                        |
| Fan Tray                      | Not included                                                                    |
| Rack Units                    | To be mounted in standard 19" racks                                             |
| Energy Efficiency             | Optimized for energy savings with enhanced midplane design for improved airflow |
| Ports Availability            | Designed to support numerous interface cards and modules                        |
| LED Indicators                | Indicators for system and network status                                        |
| Expandability                 | High scalability for future growth                                              |
| Maintenance                   | Designed for easy maintenance and upgrades                                      |
| Security Features             | Supports a wide range of security features compatible with SRX5600 services     |
| High Availability             | Supports high availability configurations for mission-critical deployments      |
| Operational Temperature Range | Suitable for standard data center environmental conditions                      |
| Regulatory Compliance         | Meets standard regulatory compliances required for networking equipment         |
| Package Contents              | Chassis Only; Fan Tray not included                                             |
| Warranty                      | Manufacturer's warranty applicable                                              |
| Part Number                   | Specific to SRX5600X-CHAS model                                                 |
| Product Code                  | SRX5600X-CHAS                                                                   |
| Brand                         | Juniper                                                                         |

## Replacement / Alternative Options

If the SRX5600X-CHAS is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
