## Quick Specifications

| Attribute              | Value                                |
|------------------------|--------------------------------------|
| Product Name           | Catalyst 6503-E Chassis Fan Tray     |
| Brand                  | Cisco                                |
| Model                  | WS-C6503-E-FAN                       |
| Condition              | USED                                 |
| Compatibility          | Compatible with Catalyst 6500 Series |
| Materials              | High-quality Plastic and Metal       |
| Dimensions (H x W x D) | 3.75 x 17.5 x 23.25 inches           |
| Input Voltage          | 48V DC                               |
| Power Consumption      | Varies depending on system load      |
| Cooling Power          | High-efficiency cooling              |
| Noise Level            | Moderate operational noise           |
| Air Flow Direction     | Side to side                         |
| Number of Fans         | 3                                    |
| Fan Speed              | Variable                             |
| Certification          | RoHS Compliant                       |
| Product Code           | WS-C6503-E-FAN                       |
| Brand                  | CISCO                                |

## Replacement / Alternative Options

If the WS-C6503-E-FAN is out of stock or end-of-life, these same-brand alternatives deliver comparable capability. Contact our sales team to confirm availability.
